Sir:

The below-named attorney of record, authorized to act on the behalf of the assignee of record, hereby disclaims the terminal part of the entire patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of the U.S.

Patent that issues from co-pending U.S. Application Serial No. 09/611,145 filed July 6, 2000, and hereby agrees that any patent so granted shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to the U.S. Patent which may issue from U.S. Application Serial No. 09/611,145. This agreement is to run with any patent granted on the present application and to be binding upon the grantee, its successors or assigns. The undersigned further states that 100% of the title to the present application is in Sony Corporation, a Japanese corporation, by virtue of an assignment from the inventors. The below-named attorney of record does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of the Patent, in the event that: the Patent later expires for failure to pay a maintenance fee; is held unenforceable; is found invalid; is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a); or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title stated above.

Please charge \$130.00 to cover the cost of this Terminal Disclaimer to Deposit Account No. 50-0320. Any insufficient fees or overpayments associated with this Terminal Disclaimer should also be charged or credited to Deposit Account No. 50-0320.
